

CITIZENS FOR ACCOUNTABILITY IN D15

April 27, 2010

Dear friends and volunteers,

Thank you for all of your help in the past month, helping to gather over 7,500 signatures on the petition to let the voters of Palatine Township decide the \$27 million District 15 bond issue. As most of you are probably aware, objections to yours and thousands of other signatures on the petition were filed by Susan A. MacDonald and Theodore J. Grabbe.

We want you to know that we are deeply committed to defending your signatures until the very last. However, defending the objections, however frivolous they may be, is a very expensive undertaking, and we will have to spend thousands of dollars in attorneys fees (and photocopies!). All of you have invested your time and effort to the cause of demanding that our elected officials on the school board exercise sound fiscal judgment when making decisions about how to spend the taxpayer's money. Please make a financial investment in our cause by making a donation to a newly formed Political Committee: "Citizens for Accountability in D15".

Thank you for your continued support. If you would like to make a contribution, please use the form below.

Sincerely,

Mary E. Vanek, Chairman,
Lisa C. Neal, Treasurer
